

CHANNEL ISLANDS INTERNATIONAL PENSIONS CONFERENCE

Rupert Stow

Rupert is Chief Investment Officer of Utmost Worldwide Limited where he has responsibility for the investment options available to policy holders and the insurer's asset and liability management.

Having worked for the company for over fifteen years he has been actively involved in the development, design and launch of a number of pension and saving products that have included both active and passive investment options.

As chair of a number of investment committees he invests across multiple asset classes, specialising in portfolio construction and Strategic Asset Allocation.

Rupert is a Chartered Wealth Manager and a Chartered Fellow of the Chartered Institute for Securities & Investment and previously held the position of Guernsey branch President.
